School Meals

Message from Catering Services:

Dear Parent/Carer,

As of week commencing 6th June (after May Schools Holidays), cash will no longer be accepted for the payment of School Meals at Battle Hill Primary School

Please log on to:-

www.joinos.com to make a debit/credit card online payment at any time of the day

This website offers so much more – you can:-

- keep up to date with important school meal information
- check the dates your child had a school lunch
- personally manage your payments for school meals
- check your child's school meal account balance
- see the current menu and receive advance notice of new menus & other information
- receive regular reminders when your account needs topping up

If you do not have access to Joinos, please email catering.services@northtyneside.gov.uk with the following information:-

- Full name
- Full address & post code
- Child's name
- School

A Joinos Code will then be sent to you, together with information on how to access your account.

Alternatively you can contact **Tel : 0191 643 2888** to make a debit/credit card payment over the telephone 7.30am to 8pm Monday to Friday, where you will be asked to provide the name, year, class and school of your child and the value you would like to pay.

Thank you

Catering Services

Northumbria Police Family Fun Day

On Sunday 26th June a Northumbria Police Family Fun Day is being arranged to take place at Middle Engine Lane Police Station. Local children are being invited to challenge a police officer and participate in lots of activities e.g. penalty against the police force goal keeper, race against the police static cycling team, punch the police boxing pads. The event will be headed by Inspector Mark Storey and there will be police vehicles and equipment for families to look round. There will also be refreshments and non-police activities such as face-painting, climbing wall, flight simulator, bouncy castle etc. More information will follow.

Easter Egg decorating competition

On Tuesday 22nd March KS1 & 2 children will be invited to decorate a hard-boiled egg in school. The usual resources will be available in school but feel free to send in anything extra. Foundation Unit children can bring in an egg that they have decorated at home with parents.

Smile for Life - thank you for your donations, we have raised almost £200 for this worthwhile cause.
